A close-up photograph of a magnifying glass with a blue frame and a black handle. The lens is resting on a document that contains a table of numbers. The numbers are arranged in columns and rows, with some numbers being larger than others. The background of the document is a light, textured surface. The magnifying glass is positioned in the lower right corner of the frame, with its handle extending towards the bottom right. The lens is focused on a specific area of the document, highlighting the numbers beneath it. The overall image has a soft, slightly blurred background, suggesting a shallow depth of field.
